| Mary Mahoney | Host | meemomm@hotmail.com | 951-490-3092 |

The focus this semester will be a continued opportunity to improve by playing supervised games interspersed with demonstrations and gentle suggestions by instructors. We will work on improvement of rule interpretation, fundamentals of rotation, strategy, shots, etiquette, footwork, competition and having fun.

This is a continuation of the FALL class where basic skills were practiced. Class is open to students who participated in the any of our prior classes or individuals who already are experienced ADVANCED BEGINNER/ early intermediate pickleball players. If you are really good this is not the class for you.

MUST have appropriate shoes (tennis or pickleball) and own paddle, balls will be provided. Please wear clothes you can move in comfortably..

Location is off campus, indoors. You may have access at 8:30 to warm up. You will be required to sign a release with OLLI and another with the County which will also provide free play on other days.

If you register and find you can not attend, please drop with customer service in the front office so we can give your space to another. If you need to miss a class please let Mary know so we can excuse you.
