Course Description

This class will challenge experienced painters as we work to hone our skills and stretch our limits. Each week there will be a still life or photo for participants to study and interpret. Use it as an inspiration, or branch out on your own. The primary goal will be to have fun!

(Please note that we will not be covering any beginning techniques in this class. An introductory class is being offered, *Introduction to Watercolor*, on campus from 9:00 – 10:30 am on Fridays.)
