HOST: Mary Mahoney 951-490-3092

This will be the FOURTH semester of Asian Mahjong (Schube Style). Most are well acquainted with the rules, so now we need to be more proficient. This means playing faster and using strategy to score higher. In order to achieve this, we play, play, play. Instructors will be on hand to answer questions, help with scoring, and organize play.

DUE TO SPACE LIMITATIONS WE WILL **NOT** OFFER NEW INSTRUCTION THIS SEMESTER. EXPERIENCED AMERICAN MAHJONG PLAYERS WELCOME BUT PLEASE PURCHASE MANUAL PRIOR TO PLAYING (in order to learn house rules and customs). We have the privilege of playing at Paradise Rec. Center on square tables in a room without outside influences. You will have to bring your own drinks and snacks. Don't forget \$5 in small coins for score keeping. You may bring your own sets (Asian), mats and racks (we play with 16 tiles). There is a large parking lot in front of the building for easy access.

It is also important to notify Mary, our host, when you will be absent so we aren't waiting for a fourth (meemomm@hotmail.com). If you register for this class and it doesn't fit your needs or there is a scheduling conflict, please drop with the front office so we will be able to have room for those waiting to join.

Any questions please contact Esther.

GOALS: HAVE FUN, MAKE NEW ACQUAINTANCES, TRY FOR HIGHER SCORING COMBINATIONS.
