Course Description

Come along for the journey into all kinds of sports and events taking place in the Las Vegas area. We already have confirmed new Rebel football coach: Dan Mullen, The VGK Viva's and Coach, representatives from the Las Vegas A;s and Sports Director, Chris Maathuis, from Channel 8. We have several speakers who still need to confirm dates (the Aces, the Lights & more). We should have a full, updated, syllabus shortly!

I will reach out about a week ahead of each presentation, from 2/3-4/14/26 with a "speaker spotlight" so that you can see who is coming and prepare those great questions! We had a wonderful, interactive class last semester and I am looking forward to another fun time this spring!

MOST IMPORTANT: you don't have to love sports to enjoy this class!!!!!!

Course Materials
