## Course Overview

This semester we will get a little bluesy. During this semester we will dissect and reconstruct the blues progressions harmonically. We will study different strumming and picking techniques as well as practice alternate voicings and substitutions.

## Course Materials:

We will be using "The Ultimate Ukulele Fake Book" ISBN: 978149070402, as well as other materials the instructors will provide.

A ukulele, and a music stand (desktop or floor) are required.
